

RN Transplant Clinical Coordinator – Uncertified – Lung Transplant (Program)

AdventHealth Orlando
Orlando, FL

***\$5,000 Sign-on available for eligible candidates (see terms below)**

AdventHealth Orlando seeks to hire a Transplant Clinical Coordinator – Uncertified who will embrace our mission to extend the healing ministry of Christ.

AdventHealth Orlando (1,368-beds) is one of the busiest hospitals in the nation, providing service excellence to more than 32,000 inpatients and 125,000 outpatients each year.

FH Transplant Institute (FHTI) Clinical Coordinators are members of a multidisciplinary team who work together to provide individualized care to patients who are seeking and/or have received an organ transplant. Responsibilities include coordinating patient care through all phases of transplantation which include pre-operative, peri-operative, and post-operative care and follow up.
