

## Registered Nurse CV Surgery

Florida Hospital Physician Group  
Tampa Bay, FL

Florida Hospital Physician Group (FHPG) is the Tampa Bay area's premier, multi-specialty physician group, dedicated to improving the health and wellness of local communities throughout West Central Florida. With more than 100 physicians and providers representing over 25 medical specialties in 40+ locations, we have a broad range of medical and surgical specialties to meet patients' needs.

Our neighborhood physician practices are conveniently located throughout Hillsborough, Pasco and Pinellas counties. Our physicians provide care at their 40+ practices as well as five Florida Hospitals located in Carrollwood, North Pinellas, Tampa, Wesley Chapel and Zephyrhills.

Backed by Florida Hospital, one of the country's largest not-for-profit health care providers with 22 hospitals in the state of Florida and more than a century of experience in health care, Florida Hospital Physician Group is expanding and transforming all aspects of health care with innovative advancements and leading edge technology. Our heritage of a unique, whole-person health approach to care – achieving wellness of the mind, body and spirit for our patients – is shared by our Florida Hospital Physician Group partners.
