Transplant Coordinators
Cleveland Clinic
Weston, Florida

Year after year, Cleveland Clinic is ranked among the nation’s top hospitals by *U.S. News & World Report*. And recently, the Ethisphere Institute named us one of the Top 10 Most Ethical Companies in the World. That’s why people from across the country and around the globe come here for care. As leaders in basic and clinical research, we offer exceptional career opportunities, as well as access to cutting-edge technology and innovative medical ideas. Now, you have the chance to become part of our extraordinary team.

The following positions are currently available for Registered Nurses:

- **Heart Transplant & VAD Coordinator**
  To qualify, you must have a Bachelor’s degree in Nursing and be licensed to practice as a registered nurse, certified nurse practitioner or physician assistant in the state of Florida. BLS certification is also required, as is experience working with CTS, ICU or heart failure patients. At least 1 year of experience in transplant services is a plus.

- **Living Donor Transplant Coordinator**
  Current FL RN licensure and BLS certification are a must, as is a Bachelor’s degree in Nursing or 5 years of experience in transplant services or a related field (a Bachelor’s degree in Nursing is required within 2 years of employment).

- **Transplant Coordinator**
  Qualifications include a Bachelor’s degree in Nursing (or 5 years of applicable experience), current FL RN licensure and/or CCTC certification (must be obtained within 2 years of employment), BLS certification, and previous experience in transplant services, with a focus on a disease-related field.
