

DISCOVER OPPORTUNITIES FOR A LIFETIME

Transplant Coordinators – bring your experience to Duke University Hospital. We have immediate opportunities in:

- Post-kidney Transplant
- Pre-heart Transplant
- Abdominal Transplant - Float

In addition to a BSN and state of NC RN licensure, we require 5 years nursing experience with at least two years in transplant, critical care, disease specific OR minimum of 3 years clinical nursing experience in transplant, critical care, disease specific.

A great place to live and work.

Consistently rated as one of the best in the United States and known around the world for its outstanding care and groundbreaking research, this is the place for you. Ranked #1 in North Carolina and #1 in the Raleigh-Durham area in 2018-19 by *U.S. News & World Report* you'll discover *Opportunities of a Lifetime*.

In addition to a benefits package that is second to none, *U.S. News & World Report* named Raleigh/Durham a Top 10 Best Place to Live. Here you'll find young, friendly, diverse and educated people who enjoy dining out in local restaurants and gathering over craft beers. The family-friendly Triangle (Raleigh, Durham and Chapel Hill) also has an abundance of beautiful green spaces and a growing art and music scene.
