

PROGRESS IN TRANSPLANTATION

The Journal for Procurement and Clinical Transplant Professionals

MARCH 2010, VOL 20, No. 1

Procurement Issues in Transplantation

- Digital imaging of extended criteria donor livers to facilitate placement and utilization **14**
James V. Guarrera, Benjamin Samstein, Michael J. Goldstein, Ben Arrington, Richard Dorritie, Dianne Lapointe-Rudow, John F. Renz, Jean C. Emond
- CE article—Technical aspects of intravascular pressure monitoring during donor care **22**
David J. Powner, Ambili M. John
- Increasing organ yield through a lung management protocol **28**
Cyndy E. Kirschbaum, Sarah Hudson
- A clinical group's attempt to raise awareness of organ and tissue donation **33**
Margot E. Rykhoff, Catherine Coupland, Joanna Dionne, Brad Fudge, Charlene Gayle, Terri-Lynn Ortner, Kristina Quilang, Geta Savu, Fatima Sawany, Marzena Wroblecka

Clinical Issues in Transplantation

- Distress associated with adverse effects of immunosuppressive medication in kidney transplant recipients **40**
Antje Koller, Kris Denhaerynck, Philip Moons, Jürg Steiger, Andreas Bock, Sabina De Geest
- Assessing historical compliance with medical recommendations among transplant candidates: preliminary findings **47**
Alok Madan, Connie White-Williams, Jeffery J. Borckardt, Barry K. Rayburn, Beverly A. Bush, A. Hal Thurstin
- Decision making and psychosocial outcomes among living kidney donors: a pilot study **53**
John Sharp, Alison McRae, Yvonne McNeill
- CE article—Individual and environmental correlates and predictors of early adherence and outcomes after liver transplantation **58**
Carol S. Stille, Andrea F. DiMartini, Michael E. de Vera, William B. Flynn, Jennifer King, Susan Sereika, Ralph E. Tarter, Mary Amanda Dew, Geetha Rathnamala
- Liver transplant recipients: individual, social, and environmental resources **68**
Carol S. Stille, Andrea F. DiMartini, Ralph E. Tarter, Michael DeVera, Susan Sereika, Mary Amanda Dew, Jennifer King, William B. Flynn
- Gastrointestinal symptoms in kidney transplant recipients: what about silent sufferers? **75**
Marja van Dijk, Jan Niesing, Jaap J. Homan van der Heide, Eltjo F. de Maar, Rutger J. Ploeg, Willem J. van Son, Marc A. J. Seelen
- Development of a decision aid for adult cystic fibrosis patients considering referral for lung transplantation **81**
Katherine L. Vandemheen, Shawn D. Aaron, Charles Poirier, Elizabeth Tullis, Annette O'Connor

International Issues in Transplantation

- Organ donation procedures: an epidemiological study **88**
Bartira de Aguiar Roza, José Osmar Medina Pestana, Sayonara de Fatima Faria Barbosa, Janine Schirmer
- OPTN and UNOS Update **7**
- Editorial—Courage and character, leaders and legends: an interview with Clive O. Callender, MD, FACS **8**
- Calendar **21**
