

Instructions to access Progress in Transplantation

If you have previously activated your account, click here <http://journals.sagepub.com/home/pit> to sign in.

How to Activate your Online Journal Account:

You must activate your SAGE Society Member User account to access the NATCO journal online.

There are two steps for activating society member access on the SAGE Journals platform: first, you must register an email, then activate your membership access.

1. Registering Your Email

Go to <https://journals.sagepub.com/action/registration> and enter the required information being sure to use the email address associated with your NATCO membership. Click 'Submit' to receive a verification email. Once received please click the long link and you will be rerouted to the Email Verification page.

2. Activating Society Membership Access

On the Email Verification page, click the 'Manage my account' link. Then to the left under 'My Account' click 'Society Member Access'. Select 'NATCO' from the dropdown-menu, enter your NATCO member ID number then click 'Activate'. You will find the Progress in Transplantation journal within 'My Content'.

If you don't know your NATCO member ID number or require further assistance please contact the NATCO office at info@natco1.org or you can contact SAGE directly at societymember@sagepub.com.
