

Member Sponsorships

As NATCO prepares to embark on our 2021 membership renewal campaign, we would like to thank you for the support you have provided over the years. We continually strive to bring new opportunities and resources to support the education and professional development of your staff members. We are excited to head into 2021 with new programs that will add more value to their NATCO membership.

We encourage you to become a Member Sponsor in 2021. The financial support you provide through this program will help us to continue to deliver the benefits you have come to expect. Please take a moment to review the sponsorship levels and choose the one that provides the most value to you. Visit our website at www.natco1.org to read in more detail about the programs we offer.

What does NATCO offer?

- ❖ **Education and training:** acquire the knowledge and skills to competently perform the role of coordinator. Maintain certification through approved CEPTCs and nursing contact hours
- ❖ **Certifications:** prepare for certification examinations that provide advanced credentials
- ❖ **Professional development:** publish research in the NATCO journal, *Progress In Transplantation*; participate in committees and workgroups; submit abstracts and present at national conferences; develop leadership skills through the Emerging Leaders Program
- ❖ **Community leadership:** Faculty and board members give back to the community to help shape the future of donation and transplantation.

NATCO has been a trusted provider of education for coordinators for over 40 years!
