## Requestor

The Core Competencies for the Requestor outline general family service competencies that are broad in scope to acknowledge the diverse professional practices unique to each transplant center. They are meant to be applicable to both adult and pediatric age groups and cover six categories, including:

1. Legal Status and Historical Background of Organ Donation/Transplantation
2. Practice Standards
3. Clinical Practice
4. Medically and Ethically Sound Practice
5. Family Advocacy
6. Requesting
